

The Highland County Chamber of Commerce
2007 Legislative Forum and Luncheon
Friday, July 27, 10:00 am-2:30 pm, Southern State Community College

The **Highland County Chamber of Commerce** invites you to be a part of this exciting event designed to inform you of the most current legislative issues and how they affect your business. Breakout sessions presented by the **Ohio Chamber of Commerce** will address legislative issues including education and workforce development, employment law and regulatory reform, workers compensation, and economic development. A Legislative Panel, designed to bring you closer in touch with your elected officials, will follow a Luncheon with legislators and fellow Chamber members.
